Vitalboards® consists of a custom-designed, 8-1/2" x 11" full color, write-on/wipe-off memo board with pen/clip that mounts to any refrigerator door, coupled with a lifesaving, custom-branded mobile app with content manager, that is free for public download. There are areas on the reverse side of the boards for the homeowners to list their vital medical information, and our Vital ICE app represents the mobile equivalent.

- Medical Information You Can Actually Locate
- Branded Identity and Contact Info for EMS/FD
- Vital ICE App Allows for Push Notifications
- Time Saves Lives, and Vitalboards® Saves Time
- FREE Local PR/Social Media Opportunities
